Please turn in your order forms and payment by Wednesday, November 28th. Orders turned in without payment will not be submitted. The design on the Women's Half Zip will be pocket sized. Women order your normal size in this style. For all unisex sized shirts and sweatshirts, men will order their normal size. Women usually prefer to size down. Women can order their normal size for a loose fit, but it will be loose ☺. To order, choose a shirt style on page one and a shirt design from page two. Shirt styles are labeled with numbers, shirt designs are labeled with letters. Then choose your color and size. Colors and sizes available vary for each shirt style, so please check the details on page one under each shirt style before ordering. All orders will be completed before school is let out for Christmas Break (hopefully much sooner). Please contact me with any questions!

Thanks, Trissi Herbst
